

Position: Global Tax Specialist**Location:** Pan India**Experience Required:** 7–10 Years

Role Overview

We are looking for a Senior Tax Compliance professional with strong experience in **FATCA, CRS, and US tax regulatory reporting** within a Banking or Financial Services environment.

This role requires end-to-end ownership of global tax reporting processes, regulatory interpretation, remediation initiatives, and stakeholder coordination across Compliance, Operations, and Technology teams.

Key Responsibilities

- Lead **FATCA / CRS reporting** across multiple jurisdictions.
- Oversee **W8 / W9 validation** and withholding tax processes.
- Ensure compliance with **IRS Chapter 3 & 4 regulations** and manage regulatory submissions.
- Drive remediation activities and regulatory change initiatives.
- Maintain audit readiness and strong governance standards.
- Collaborate with cross-functional teams to strengthen reporting controls.
- Support process optimization and documentation standardization.

Required Experience & Skills

- 7+ years of hands-on experience in **FATCA / CRS / US Tax reporting** within Banking or Financial Services.
- Strong knowledge of withholding tax and regulatory compliance requirements.
- Experience managing remediation projects and regulatory updates.
- Exposure to multi-geography reporting environments.
- Advanced proficiency in **Microsoft Excel** for reporting and data analysis.
